REFURBISHMENTS & ENHANCEMENTS

We would like to inform our guests that we are currently undertaking a renovation of our wooden walkway with a slated completion date of 30 June 2025. The daily work is being carried out between the hours of 10am and 6pm, and we endeavor to keep the inconveniences to the barest minimum. The renovation work is also managed in multiple phases to ensure the least amount of impact to our guest's stay. During this period, we maintain full guest access to all facilities.

Should you wish to learn more about the project, please feel free to contact us. Thank you for your kind understanding as we aim to continually improve our hotel for our guests.
